

SJCCC Newsletter

Volume 48 Issue 1 & 2

January / February 2025

Affiliated with Eckler's Classic Chevy #10096168

President's Message

February brought much needed rain, but we should have some clear days to get out and about coming soon enough.

Enjoy!

- Stan

Stan's '58 Impala

Purpose:

The San Jose Classic Chevys car club was founded in 1977. It was originally organized for the purpose of encouraging restoration and preservation and for supporting the continued interest in all Chevrolet vehicles 25 years and older.

Membership

Open to all persons with a genuine interest in the preservation and restoration of all classic Chevrolets. However, ownership of a classic Chevrolet is not required. Annual dues are only \$50.00.

In Memoriam... Ray Ravizza

We lost a very dear member of the SJCCC family, Ray Ravizza. He was known to be a good friend and was a long time member of the San Jose Classic Chevy Club. He joined our club in 2011, and always went to the Toy Drive car show each year, and volunteered at the car show for many years. I spoke to him for many years at the car shows we'd both attend. I enjoyed his company and he was always very friendly to me. We will miss him. On behalf of the SJCCC family, our condolences go out to the Ravizza family.

New (never used) Edelbrock Intake manifold for a 283 Chevy small block. I was going to install this, but decided to do an LS1 instead. I have all the parts necessary to install it: Edelbrock manifold gasket, temp sender, water neck, Edelbrock oil cap, Summit thermostat, gasket, and o-ring, FelPro valve cover gaskets, and ARP fasteners for the manifold. This is the polished manifold as in the picture. Edelbrock part #21011 (polished). Engine dress-up in a box.

Performer Intake Manifold for 1955-86 Small-Block Chevy, Polished Finish
